$$\vec{F} = m\vec{a}$$

Force

Mass

Acceleration

The diagram shows the equation  $\vec{F} = m\vec{a}$  centered at the top. Below it, three labels are positioned: 'Force' on the left, 'Mass' at the bottom center, and 'Acceleration' on the right. Three blue arrows originate from these labels: one from 'Force' pointing to  $\vec{F}$ , one from 'Mass' pointing to  $m$ , and one from 'Acceleration' pointing to  $\vec{a}$ .

Untitled frames get the title page decoration  
by default, to be used as section title slides,  
thank you slides, etc.
